Discussion

- Additional names for potential board position/Committee Chair

I have contacted Ryan Reifsnyder and he has changed jobs and with his work schedule would not be able to attend meetings and wishes to not be a member going forward. I have contacted Kelly Pflughoeft at the School Bus Barn and he has not gotten a dollar figure for the Bus windows as of yesterday. I talked to Katie Kempke today and she is getting me the contact for the barn to store the bus for \$50 per Mo. and she has contacted Rolling Hills to see if they would let us use some of there space possibly for free. Update on the Business Insurance and Work Comp quotes from John Whitmer and Assurance, I have not heard anything from either of them yet.
