Reports and Discussion:

A. Disc Golf Sponsors

- a. Report - Dave reported money and prizes turned in. Sarah will send out reminders to contact businesses again. Dave will also begin to post fliers for the tournament at the disc golf parks. Dave asked for ECLC to put art on disc/coins to give away to players.
- b. Sarah reported that art canvases would be made from ECLC. She also reported it is an unknown whether we could get a solid commitment from families; at every hole spiked in ground and laminated art work; school age; Dave reminded that a kid presence will drive up the raffle prizes.
- c. Discs being printed \$900; printing for event couple hundred - Dave is covering that and will get with Robson's
- d. Board members, staff and families should be asked and ENCOURAGED to attend the disc golf tournament. Presence is important and to show support - operation/manpower is covered. Could staff wear ECLC shirt?

C. Calendar for Upcoming Year

 - i. Months to AVOID - November, December, January; March, April and October may be good months to target; Gene's Round Up opportunities around holidays - May July November perhaps
 - ii. Ideas for Fundraisers - Casey's Round Up, Bake Sale (would parents bake for this) - location at Gene's, Orschelins, Fair, Pizza Hut sales percentage, Coordination with Legion with music/food event, Coordination with Kanopolis Civics or Legion for Bingo Night; Play/Kids Event/Performance at PAC or in basement

E. Board Report

- a. The Fundraising Committee met on September 9 to discuss the Disc Golf Tournament, Prime Rib event and planning for the future. Dave Cox reported on

businesses who have funded the Disc Golf event and those businesses we still need to contact. ECLC will need to provide artwork for the event. Dave highly recommends a child/family/performance presence at some point in the day from ECLC. A report on the Prime Rib Event was not available. Committee members then began to discuss next steps for future fundraisers like ideas, timelines and recipes on how we will move forward in the future. Our next meeting will be October 7, 2019. We will be reviewing Disc Golf plans and move forward with the Prime Rib event. If time further future planning will be confirmed.

F. Assignments

- a. Please see attached sheet concerning which committee members will be contacting which businesses.
